RE: FM ANTENNA DCBR-C3SP-5 FM W.F.A.E. (12541 CALDWELL ROAD)
DRAWING NO. 01-07378

DEAR MR. SPRINKLE:

PER YOUR REQUEST, OUR SURVEY FIELD TEAM VISITED YOUR RADIO STATION SITE IN FEBRUARY, 2005 TO VERIFY THE ORIENTATION OF THE REFERENCED ANTENNA AS SPECIFIED BY THE F.C.C. THIS IS TO CERTIFY THAT THE ANTENNA IS MOUNTED TO THE FACE OPPOSITE A LEG WHICH IS ORIENTED AT 15 DEGREES 49 MINUTES (AZIMUTH) TO TRUE NORTH. THIS IS 20 MINUTES, LESS THAN ONE HALF DEGREE, FROM THE ORIENTATION SHOWN ON THE ANTENNA INSTALLATION DRAWING.

JACK R. CHRISTIAN
N.C. REGISTERED LAND SURVEYOR
