

Engineer's Declaration

I, Robert D. Wolfe, subject to the penalties of perjury, do declare the following:

- 1.) I am the holder of a valid General Radio Telephone Operators License.
- 2.) I have been a certified member of the Society of Broadcast Engineers, since 1985. Membership number 9141.
- 3.) That I am employed as an RF Engineer and technical consultant with the firm of: Family Life Communications.
- 4.) That I am familiar with the terms and conditions of the KFLT-FM Construction Permit.
- 5.) I hereby certify that I have overseen the installation of the KFLT-FM directional antenna and that the installation was completed to the manufacturer's instructions.

Dated: 27 August 2007

A handwritten signature in black ink, appearing to read "Robert D. Wolfe". The signature is written in a cursive, flowing style with a large initial 'R' and a distinct 'W'.
