Subject: Leased Services

Hi Kathy –

This is to confirm our agreement for KMTF to lease reception services starting this month on an as needed basis when Paul Albertson is briefly out of the KMTF office (e.g. for lunch or possibly out sick). The monthly fee payable to Beartooth NBC is \$200.00. This payment will be made monthly by the 15th of the month. Additionally, this confirms your agreement to temporarily staff (for up to 1 week at a time) KMTF if Paul takes vacation time. Any staffing pursuant to this agreement will be pre-arranged and only as Beartooth can accommodate with one of its employees able to run the KMTF traffic system. RMBC will provide other staffing if Beartooth is unable to meet this need.

Please confirm this with a reply e-mail.

Thank you,

Suzanne Rogers
VP Operations, RMBC
