In re: Low Power Television Application of:  
Mark Allen  
Channel 10, Redding, CA.  
File no.: 0000001103  
Facility Id No.: 125541

Dear Applicant:

We are currently processing the above captioned application. Our preliminary analysis indicates the following:

The grant of the above referenced proposal would an environmental effect:

The environmental exhibit submitted with this proposal does not justify the Yes answer to the environmental effect question under the Construction Permit Certifications Section as imported below from the LMS application:

**Construction Permit Certifications**

<b>Section</b>	<b>Question</b>	<b>Response</b>
<b>Environmental Effect</b>	Would a Commission grant of Authorization for this location be an action which may have a significant environmental effect? (See Section 1.1306 of 47 C.F.R.)	Yes

If you do not amend your application electronically within 30 days from the date of this letter to resolve the above deficiency, we will dismiss your application.

Sincerely

Hossein Hashemzadeh  
Deputy Chief  
Video Division  
Media Bureau
