RAK Communications, Inc.  
Special Temporary Authorization

Dear Counsel:

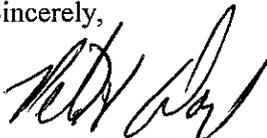

This is in reference to the request filed February 5, 2008, on behalf of RAK Communications, Inc. ("RAK"). RAK requests, *inter alia*, Special Temporary Authority ("STA") to permit continued operation of both Expanded Band AM Station KAVT and commonly owned, associated lower band AM Station KXEX, beyond the fifth anniversary of the initial licensing of Station KAVT.<sup>1</sup> In support of the request, RAK states that the public interest would be served by allowing continued operation of both stations.

In order to provide for continued service to the public, we will grant STA for continued operation of Station KXEX beyond the expiration of the five-year term.<sup>2</sup>

Accordingly, the request for STA IS HEREBY GRANTED. Station KXEX may continue to operate with its currently licensed facilities, notwithstanding Special Operating Condition #2 of License BL-20001010AIC. We extend the Section 73.3555 Note 10 authority for joint ownership to permit continued operation of Stations KXEX and KAVT.

This authority expires on **August 15, 2008**.

Sincerely,

Peter H. Doyle, Chief  
Audio Division  
Media Bureau
