USE OF FORM 316

Use of Form 316 is appropriate for consent to the transfer of control of Brandeis University, the licensee of noncommercial educational station WBRS(FM), Waltham, Massachusetts, from the former Board of Trustees to the current Board of Trustees of the University.

This application is being submitted because incrementally, over time, a majority of the Board of Trustees has changed from the membership set forth in the ownership report for Brandeis University submitted at the time of the filing in 1997 of the application for the renewal of the license to operate WBRS. Trustees serve for a term of four years, and no trustee can serve longer than twelve consecutive terms. The current members of the Board of Trustees of Brandeis University are attached hereto at Attachment I.
