

### K219DX Site Diagram

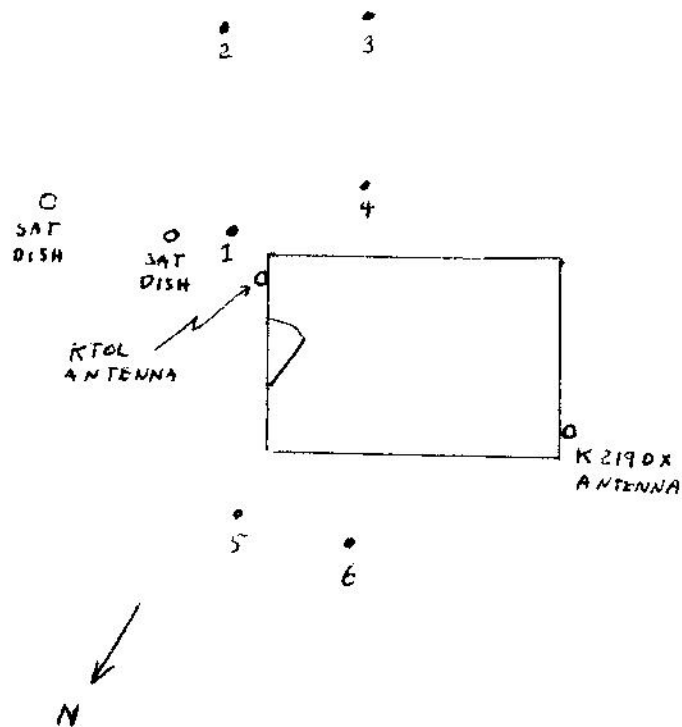

Location 1 is 32 inches from the corner of the building. The high levels are within a circle with a diameter of 18 inches.

Location 2 is 22 feet from the side of the building. The distance between Location 2 and 3 is 6 feet

Location 4 is 7 feet from the side of the building.

Location 5 is 7 feet from the corner of the building.

Note: The red flag, that can be seen in the photographs, on the back side of the buildings is a marker for underground power, not a marker for RF.
