**Re: Resumption of Construction Permit Time  
WBKY (FM), Portage/Stoughton, WI  
ID#39625; BPH-20110602AAT**

Marlene H. Dortch, Secretary  
Federal Communications Commission  
445 12<sup>th</sup> St. SW  
Washington, DC 20554

Attn: Audio Division

Dear Ms. Dortch:

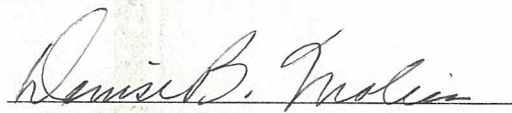

Magnum Communications, Inc., ("Magnum") by Counsel and pursuant to Section 73.3598(b) of the Commission's Rules, hereby respectfully notifies the Commission that the time period for the construction permit for the above-referenced station should RESUME, as of January 9, 2014. As of that date, the Dane County Circuit Court dismissed the previously referenced lawsuit. The lawsuit was dismissed because of a new Wisconsin State law that prohibits counties and municipalities from blocking new tower construction unless it can prove that such construction will harm public health and safety. Accordingly, Magnum is commencing a new zoning/permitting process with Rutland Township and Dane County to allow the construction of its proposed tower.

Should there be any question regarding this request to toll construction permit, or if further information is required, please contact undersigned Counsel for Magnum Communications, Inc.

Respectfully submitted.
