Mr. Jeff Pearce  
Pitkin County Translator Department  
530 E. Main Street | Garden Level  
Aspen, CO 81611

Ref: K258CO – Snowmass Village, Colorado  
BMPFT-20161122ABJ

Dear Mr. Pearce,

Thank you for your brief and site drawing describing the proposed installation of a transmitting antenna for translator station K258CO at the same site as existing directional antennas for translators K215AC, K251BU, and K260BZ.

Based on your information it appears there is sufficient vertical and horizontal spacing between these installations to prevent any significant effect to the directional radiation characteristics of the existing translator installations.

This opinion carries no performance guarantee and is based solely on the data provided by Pitkin County and the practical experience of our sales engineers. It is by no means a comprehensive analysis and Kathrein USA recommends Pitkin County to engage the services of a qualified communications consulting firm for a definitive evaluation. The furnished data has not been verified by Kathrein USA for completeness or accuracy.

Best regards,

Michael Wm. Bach  
Sales Engineer
