

## CHARACTER ALLEGATIONS

On November 8, 2001, a Petition to Deny was filed on behalf of **DAVID RINGER** respecting an Assignment Application by and between **SECRET COMMUNICATIONS II, LLC**, and **CLEAR CHANNEL BROADCASTING LICENSES, INC.**, respecting Radio Station WFCB(FM) [formerly WKKJ(FM)], Chillicothe, Ohio (FCC Facility ID No. 52042) (File No. BALH-20010918AAP). Allegations were made in the Ringer Petition to Deny that cast aspersions upon the character and qualifications of **CONCORD MEDIA GROUP, INC.** ("*Concord*"), even though Concord is not a party to the application.

In a timely fashion, Concord vigorously opposed the allegations in the Ringer petition as erroneous, speculative and unfounded. The parties to the assignment application also have vigorously opposed the Ringer Petition to Deny in a timely manner.

The application (BALH-20010918AAP) and the Petition to Deny remain pending Commission consideration.
