

# AFFIDAVIT OF BRUCE ANDERSON

I, Bruce Anderson, being duly sworn, hereby state as follows:

I am the consulting engineer contracted by Robert Meltzer, licensee, to supervise technical compliance of FM Translator Station K243AO, Farmington, NM, Facility Identification Number 22173 (formerly K296DI.) (the "Translator Station").

The Translator Station has been on the air and operating in accordance with Federal Communications Commission rules and regulations, and conditions set forth in its Construction Permit, since June 25, 2004.

The Translator Station has never been silent for one year or longer during this period of time.

  
Bruce Anderson
