<p>9. Local program origination. The applicant pledges to originate locally at least eight hours of programming per day.</p>	<p><input checked="" type="radio"/> Yes <input type="radio"/> No</p>
<p>Note: For purposes of this factor, local origination is the production of programming within 10 miles of the coordinates of the proposed transmitting antenna.</p>	

**Section IV - Certification**

The applicant certifies that the statements in this application are true, complete, and correct to the best of its knowledge and belief, and are made in good faith.

The applicant acknowledges that all certifications and attached Exhibits are considered material representations.

The applicant acknowledges that the submission of false or misleading statements will subject the applicant to fines, revocation of license(s), and applicable criminal penalties.

The applicant hereby waives any claim to the use of any particular frequency as against the regulatory power of the United States because of the previous use of the same, whether by licensee or otherwise, and requests an authorization in accordance with this application. (See Section 304 of the Communications Act of 1934, as amended.)
