WITNESSETH:

WHEREAS, Permittee holds a construction permit for FM Radio Station WTCF (FM), Wardensville, West Virginia, FCC Facility ID No. 189559 (the "Station") and desires to construct and place the Station on the air with high-quality informational and entertainment programming in its service area; and

WHEREAS, Time Broker is an experienced broadcaster with a fully equipped radio station studio producing a full schedule of noncommercial religious webcast programming and desires to purchase program time on the Station in order to locally broadcast programming from the facilities of the Station using its studio facilities;

WHEREAS, Time Broker has experience with the construction of facilities and is willing to assist Permittee with construction of the station, in exchange for this agreement and a one year purchase option to purchase the station;

WHEREAS, Permittee wishes to authorize Time Broker to provide programming, and related services for the Station that are in conformity with the Station's programming policies, FCC Rules, regulations and policies for time brokerage arrangements;

NOW THEREFORE, in consideration of the foregoing mutual promises herein made, and other good and valuable consideration received by each party, the receipt, adequacy and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Term. The term of this Agreement shall be for a period of twelve months from the Effective Date of this Agreement, June __, 2012, unless earlier terminated or extended, as provided for in this Agreement.

2. Station Construction and Lease. As partial consideration for this Agreement and an option to purchase the Station, Time Broker pursuant to a separate Facilities Construction and Lease Agreement ("FCLA"), shall construct the transmission facilities for the Station on its tower and pursuant to separate Tower Site Lease document shall lease such tower space, building space and transmission related equipment to Permittee. Further, as Time Broker has a fully equipped broadcast studio from which it will produce programming for transmission on the Station, pursuant to the FCLA and a separate Studio Office Lease agreement, Time Broker has agreed to lease those studio facilities to Permittee during the term of the Time Brokerage Agreement. Notwithstanding the foregoing grant, it is agreed that said lease is limited and Permittee shall not be permitted to use the broadcast studio for any purpose other than WTCF station operations, transmission of Time Broker's programming or such other Permittee-inserted programming provided for herein or required by the FCC. Permittee shall have no rights to the use of any other studio or office real estate appurtenant to The Cross FM's broadcast studios and owned by Time Broker.

3. PROGRAMMING.

a) Subject to the rules and policies of the FCC and the limitations contained herein, Permittee agrees to make available to Time Broker, on an exclusive basis, 24 hours a day and 7 days a week for as long as this Agreement remains in force, all program time on the Station for the provision of music, entertainment programs and non-entertainment programs, news, PSAs and other suitable programming and commercials as selected by Time Broker in its sole discretion, except as otherwise provided herein or as required by the FCC's rules (the "Programming").

b) Time Broker agrees to produce and deliver to Permittee for transmission over the Station's transmission facilities 7 days a week, a full programming schedule of music, entertainment programs, non-entertainment programs, news or other suitable programming complete with PSAs and commercials. Time Broker, will produce and deliver all such programming at its own cost and expense using its own studio equipment. All Programming shall comply with all applicable statutes and FCC rules, policies and requirements, as announced from time to time by the FCC, and with Permittee's programming policies set forth in **Attachment 2**.

c) Permittee shall broadcast all programming, PSAs and commercials supplied by Time Broker, except for those hours reserved by Permittee, as set forth below, or except as otherwise provided herein, and Permittee agrees to broadcast the programming on the facilities of the Station without interruption, deletion, or addition of any kind except as otherwise expressly permitted herein.

d) Permittee may produce or present up to one (1) hour a week of programming to be aired on the Station between 6 a.m. and 7 a.m. on Sundays, or at such other times as Permittee reasonably deems necessary to meet the needs of the Station's listeners.

e) Time Broker and Permittee mutually acknowledge their interest in ensuring that the Station serves the needs and interests of the residents of Wardensville, West Virginia, and the surrounding service area and agree to cooperate in doing so. In that regard, Permittee shall, on a regular basis, assess the issues of public concern to its community of license and area listeners. Time Broker shall cooperate with Permittee's on-site station manager to insure that programming that is responsive to community needs and interests is broadcast at times deemed to best meet its listeners' needs.

f) Time Broker shall broadcast (a) an announcement in form satisfactory to Permittee, and in compliance with FCC rules and policies, at the beginning of each hour to identify the Station's call sign, (b) an announcement at the beginning of each broadcast day or appropriate broadcast period to indicate that program time has been purchased by Time Broker, and (c) any other announcement that may be required by law, regulation, or Station policy.

4. Permittee's Regulatory Obligations.

a) Permittee will have full authority, power and control over the management and operation of the Station during the term of this Agreement. Permittee further warrants and agrees with Time Broker that this responsibility to retain control is an essential and material element of the continuing validity and legality of this Agreement, and that nothing herein shall be construed as limiting in any way Permittee's rights and obligations as an FCC Permittee to make the ultimate programming decisions for the Station and to exercise ultimate control and responsibility with respect to the personnel, finances and operations of the Station. Permittee will remain responsible for Station's compliance with all applicable provisions of the Communications Act of 1934, as amended, and the rules and regulations of the FCC and warrants to Time Broker that it will take any and all steps necessary to faithfully and continuously do so throughout the term of this Agreement. b) Permittee is familiar with the content, style, type and nature of the programming produced by Time Broker and has been provided a description of the content, style, type and nature of the programming which will be produced by Time Broker, and Time Broker has provided assurances that its programming will address the needs of the Station's community of license and surrounding areas, will comply fully with FCC regulations and policies and will otherwise serve the public interest. policies, shall be entitled to have its on-site station manager review on a confidential basis any programming material as it may reasonably request.

d) Permittee shall not be required to receive or handle mail, cables, telegraph or telephone calls in connection with the Time Broker's programs but, in accordance with Section 4(f) Permittee shall be advised promptly by Time Broker of any public or FCC complaint or inquiry concerning such programming, and Permittee shall be given the originals of any letters from the public, including complaints, concerning such programming for inclusion in the Station's public records file as required by the FCC.

g) Time Broker shall cooperate with Permittee's on-site manager to ensure that programming that is responsive to community needs and interests is broadcast. Not later than five days after the end of every calendar quarter, Time Broker shall provide to Permittee a list of such programming that was delivered by Time Broker.

h) Time Broker shall cooperate with Permittee to assist Permittee in complying with the provisions of the Act regarding political advertising for federal

candidates. Time Broker shall supply such information promptly to Permittee as may be necessary to comply with the equal opportunity and reasonable access requirements of the Act. Time Broker shall also consult with the Permittee and adhere strictly to statutes and the rules, regulations and policies of the FCC, as announced from time to time, and with the policies set forth in **Attachment 1**, with respect to the carriage of political advertisements and programming (including, without limitation, the rights of candidates and, as appropriate, others to "equal opportunities" and the carriage of contrasting points of view as mandated by any "fairness" rules with respect to such "issue-oriented" advertising or programming as may be broadcast) and the charges permitted therefore. Specifically, at least ten (10) days before the start of any primary or regular election campaign, Time Broker will clear with Permittee's General Manager the rate Time Broker will charge for the time to be sold to candidates for public office and/or their supporters. Further Time Broker shall take such steps as necessary to make certain that the rate charged is in conformance with Station policy, FCC Regulations and Policies and applicable law. Within twenty-four (24) hours of any request to purchase time in the Programming for or on behalf of a candidate for public office or to support or urge defeat of a ballot issue, Time Broker will report the request to the Station's General Manager so that appropriate records may be kept as to the request for such time and the disposition thereof. In general, Time Broker will provide to the Station such documentation relating to such programming as Permittee shall reasonably request and shall indemnify the Permittee for any claim, demand, cost or expense (including reasonable attorneys' fees) arising from the inclusion or failure to include any

c) Permittee shall operate the Station at all times, except for such times as are necessary to cease operations for maintenance and repairs. Any maintenance work, other than emergency repairs, shall not be scheduled without giving at least forty-eight (48) hours advance notice to Time Broker, unless Time Broker waives such notice.
