

## Spurious Emissions Evaluation of W282CA Richmond, VA

I certify that 104.3MHz W282CA, operating at an ERP of 77W on 4/13/16 does not create spurious emissions to combined antenna translator station W291CL, nor do I detect spurious emissions to the below radio stations at the same tower location.

Mike Friedman  
Chief Engineer SummitMedia Richmond, VA

### 3245 Basie Rd. SRN 1026628 FM Radio Station Line-up

Item	Height (feet)	Power	Tenant	Appurtenance
102.1	736.3 - 726.8	20KW	WRXL	ERI FMH-2AE-Radomes (102.1 MHz)
