RE: REQUEST BY "PAL OF FLORIDA" FOR FULL TIME SERVICE

Facility ID # 192855

Registration # 0022989792

Dear Sir(s) & Madam

Pal of Florida a non profit 501(c) 3 entity, the licensee of Radio Station WZEA FM authorized by the Federal Communications Commission to operate an FM at 107.1 hereby 'asks and request' that the deleted facility in a construction permit granted to "We The People" sharing the same frequency as Pal of Florida from 3 pm to 3 am daily be assigned to Pal of Florida, immediately.

Pal of Florida, Inc. further requests that the deleted time share and the non renewability also be deleted so that Pal of Florida can have the full rights to the LPFM operating on 107.1 FM and licensed to Ormond Beach, Florida, unencumbered by these restriction imposed on its license.

Pal of Florida has constructed its facility according to its Permit and received its License in a timely manner and now operates on 107.1 FM as an LPFM from 3am to 3pm and with the FCC consent and approval of this requested action can operate full-time, 24/7 daily.

Thanking you in advance for your consideration in this matter,

I Remain, Sincerely
