

## **Radio Market Analysis**

### **Simmons-SLC, LS, LLC**

#### **Technical Statement**

1. This Technical Statement is prepared on behalf of Simmons-SLC, LS, LLC (with its affiliates, “Simmons”) to demonstrate that the purchases of radio stations KOVO(AM), KRAR(FM), KDWY(FM), KAOX(FM), KMER(AM), and KPEB(FM) as proposed in concurrently filed assignment applications would comply with Commission rules and regulations. This study also accounts for the proposed Time Brokerage Agreement (TBA) of KNJQ(FM), Manti, Utah.

While the FCC has approved the assignment of KUTR(AM) from Simmons to Bonneville Holding Company, that transaction has not yet been consummated. Hence, KUTR(AM) is considered in the instant study.

The FCC has licensed KXOL (AM), 1660 kHz, Brigham City, as the expanded band facility for KSOS (AM), 800 kHz, also licensed to Brigham City, Utah. Pursuant to Note 9 of Section 73.3555, KXOL is not considered in evaluating compliance with the multiple ownership rules at this time. Hence, the KSOS facility is considered in the instant study.

KPEB(FM) has a construction permit (BMPH20040204ABK, approved 2/12/2004), and it is this permit that is used for purposes of the instant study.

2. The proposed acquisitions of KRAR, KPEB, KNJQ, KDWY, KAOX, KMER(AM), and KOVO(AM) create for Simmons an ownership concentration shown in Figure 1. This shows the principal community contours for the stations that define a radio market for Simmons [KOVO(AM), KZNS(AM), KSOS(AM), KUTR(AM), KXRK(FM), KEGA(FM), KJQN(FM), KRAR(FM), KNJQ(FM), KDWY(FM), KAOX(FM), KMER(AM), and KPEB(FM)]. By examining Figure 1, eight unique

radio markets can be created from these different stations. They are defined as follows:

<b><u>Stations Defining the Market</u></b>	<b><u># Stations in the Market</u></b>
Market #1 - KJQN, KRAR, KXRK, KSOS(AM), KUTR(AM), and KZNS(AM)	57
Market #2 - KJQN, KRAR, KEGA, KUTR(AM), and KPEB (CP)	51
Market #3 - KEGA, KPEB (CP), KUTR(AM), KXRK, and KZNS(AM)	50
Market #4 - KEGA, KPEB (CP), KOVO(AM), KUTR(AM), and KXRK	50
Market #5 - KXRK, KZNS(AM), KOVO(AM), KNJQ, and KUTR(AM)	47
Market #6 - KDWY(CP), KMER(AM), KAOX(CP), KPEB(CP), and KEGA	47
Market #7 - KJQN, KRAR, KDWY(CP)	39
Market #8 - KMER(AM), KDWY, KAOX	7

3. These different markets have their own unique ownership concentration issues.

However, none of these market create a station concentration that violates any portion of §73.35555 of the Commission's local radio ownership rules.

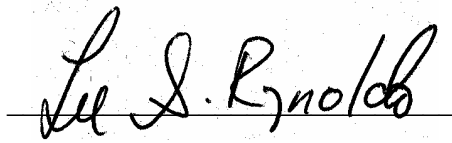

4. Section 73.3555(a)(1)(i) states that in a radio market with 45 or more commercial radio stations, it is allowable for a party to own up to 8 stations, with no more than 5 in the same service. For Markets 1-6, there are at least 45 stations in each market. The above table shows that none of the proposed markets will be defined by 8 stations, and none of them will have more than 5 of any one service.

5. For Market #7, Section 73.3555(a)(1)(ii) states that in markets with between 30 and 44 stations (inclusive), not more than 7 commercial stations total and 4 in the same service may be owned. Simmons is proposing ownership of 3 FM stations for this market.

6. For Market #8, Section 73.3555(a)(i)(iv) states that in markets with 14 or fewer stations, and entity may own up to 5 stations, not more than 3 in the same service, provided that no party or entity (or entities under common control) may own more than 50% of the stations in said market. In this case, there are 7 stations in Market #8. Since Simmons is proposing the purchase of 3 stations (2 FM, 1 AM) in this market, the proposed purchase complies with the Commission's rules.

7. The foregoing technical statement was prepared on behalf of Simmons by Reynolds Technical Associates. All information contained herein is true and accurate to the best of our belief and knowledge. All data relating to AM and FM facilities was extracted from the CDBS database. We assume no liability for errors or omissions in that database which may be adverse to the information contained herein.

For Simmons:

A handwritten signature in black ink, reading "Lee S. Reynolds", is written over a horizontal line.
