Antenna Certification

University of California, Santa Cruz campus

KZSC FM, 88.1 MHz

KZSC Radio
UC Santa Cruz
1156 High Street
Santa Cruz, Ca. 95064

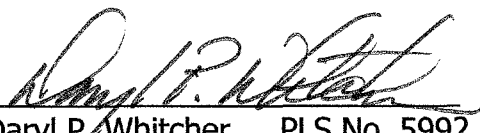

Attn: Mr. Michael Bryant

Dear Michael:

This letter will provide certification that I, Daryl P. Whitcher, a Professional Land Surveyor licensed by the State of California, have completed a site visit on March 18, 2013 to inspect the as built condition of the new installation for the KZSC directional FM antenna on the campus of the University of California at Santa Cruz. This installation took place on March 16, 2013.

A compass survey was performed during the inspection of the facility to verify the direction of the newly installed antenna mount. I am pleased to verify that the KZSC directional FM antenna has been installed along a true azimuth of 80°.

Respectfully,

Daryl P. Whitcher PLS No. 5992
March 19, 2013
