

Section IV
Point System Factors

EXHIBIT 4.0

The applicant will request cancellation of the authorization for K214CK, Denison, TX, upon receipt of program test authority for the station applied for herein.

The applicant has no attributable stations whose principal community contours come within 10 miles of the proposed station's contours.

Pursuant to Section IV, Question 2, attached is a copy of the applicant's governing document requiring that diversity of ownership be maintained.
