

EXHIBIT 15a

The attached multiple ownership exhibit was prepared in August, 2003 utilizing the new methodology (Arbitron markets) for determining compliance with the multiple ownership rules. The exhibit was prepared in connection with the filing of a prospective transfer of control application. Subsequent to the preparation of the attached exhibit, use of the Commission's new methodology was stayed by the Third Circuit Court of Appeals. The exhibit reflects all of the radio broadcast interest (including attributable) of the Assignee.
