Dear Ms. Dortch:

As described in the above-captioned applications, there exists a Management Agreement dated as of August 10, 2009, by and between Gray Television, Inc., as Manager, and each Licensee applicant. As requested by the Media Bureau staff, New Young Broadcasting Holding Co, Inc. hereby confirms that the Manager under the Management Agreement will not program any airtime on any of the stations. Rather, under the Management Agreement, the Manager will provide programming services (and other services) to each Licensee.

If you have any questions, please do not hesitate to contact undersigned counsel.

Respectfully submitted,

William M. Wiltshire
Counsel for New Young Broadcasting
Holding Co., Inc.
