

You were given the opportunity to file a minor amendment to resolve the specified tower registration issue within (30) days from the date of that letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

Our records show that no amendment has been filed as of June 2, 2011, which allowed an additional 30 day to resolve the antenna registration issue. In addition, our records show that no request for further extension of time to resolve this issue has been requested; therefore, the above referenced application is considered incomplete and IS
HEREBY DISMISSED

Sincerely
