Responsive to Section II, Questions 2 and 3

As set forth in the engineering portion of this application, the purpose of this application is to modify the license of Station KWPZ(FM) to specify electronic beam-tilt. Crista Ministries, Inc., the station's licensee, understands that such modification may be made without prior Commission approval, according to Section 73.1690 of the Commission's rules. Accordingly, there is no outstanding construction permit specifying the modification described in this application. The only modification proposed herein is the beam-tilt described in the engineering portion of the application.
