ANTENNA SPACE LEASE

THIS LEASE AGREEMENT made and entered this 1st day of August, 2000 between HISPANIC KEYS BROADCASTING CORPORATION, hereinafter called Lessee, and SPOTTSWOOD PARTNERS II, LTD., a Florida limited partnership, hereinafter called Lessor.

WHEREAS, SPOTTSWOOD PARTNERS II, LTD., is the Successor Lessor to the SPOTTSWOOD FAMILY TRUST; and

WHEREAS, Lessor operates a Tower Site on Stock Island in Monroe County, Florida; and

WHEREAS, Lessee desires to rent space on Lessor's Tower for the purpose of installing an antenna.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, it is agreed as follows:

1. Lessor does hereby lease to Lessee that Property described as, SPACE TO BE DESIGNATED BY LESSOR FOR ONE RADIO TRANSMITTER CABINET IN LESSOR'S TRANSMITTER BUILDING NEAR THE TOWER TOGETHER WITH SPACE FOR ONE ANTENNA TO BE LOCATED AT LESSOR'S TOWER (the "Leased Premises"). Without limiting the foregoing, it is specifically agreed and understood that this Lease is solely for the foregoing and does not include the placing of any other types of equipment on the tower or the real property. Further, Lessee shall have reasonable access to service the transmitter and antenna. It is specifically understood by the Lessee that this Lease is for antenna space and transmitter space only. No privileges for parking are included and Lessee's use of the parking facilities shall be limited to only the time necessary to access and service the transmitter and antenna.
2. The initial term of this Lease shall be for ONE (1) year commencing with the date hereof. After the initial term, this Lease shall AUTOMATICALLY renew under the same terms and conditions for successive ONE (1) year periods until canceled in accordance with Paragraph 7.
3. Lessee agrees to pay Lessor the sum of ONE THOUSAND FIVE HUNDRED 00/00 DOLLARS (\$1,500.00) per MONTH (plus sales tax) in advance on the first day of each month during the term of this Lease. The rental rate for the renewal periods shall be negotiated prior to the beginning of each renewal period. Should the parties be unable to agree upon the rental rate, then either party may cancel this Lease upon notice to the other.
4. Either party may terminate this Lease should the other party fail to cure a breach within thirty (30) days after receipt of notice thereof; provided, however, that Lessor shall not be required to give any such notice with respect to Lessee's failure to make timely payment of the monthly rental set forth in Paragraph 3 or the other costs set forth in Paragraph 8. Upon termination due to Lessee's default, Lessee shall promptly remove its equipment so that Lessor may relet the Leased Premises to others; should Lessee fail to do so within one week following notice of Lessor's termination, then Lessor shall have the right to remove any of Lessee's equipment at Lessee's sole risk, to sell or otherwise dispose of such equipment as Lessor, in its sole judgment, sees fit and to apply the proceeds of any such sale to the amounts owed by Lessee to Lessor. In the event of a natural disaster or other circumstance beyond Lessor's reasonable control (including condemnation or similar proceedings by governmental agencies) which prevent Lessee from full use of the Leased Premises, Lessor shall use its best efforts to

restore the property to its previous condition and Lessee's obligation to pay rent shall abate until such use is substantially restored. In the event use of the Leased Premises is not substantially restored within 30 days of the loss thereof, Lessee may terminate this Lease and Lessor shall have no further liability to Lessee.

5. All personal property placed or moved into the Leased Premises by Lessee shall be at risk of Lessee, and Lessor shall not be liable for any damage to said personal property or to the Lessee arising from any act of negligence or any contents of occupants of the premises, other than through the negligence of the Lessor. Prior to the commencement of installation of any of Lessee's equipment on any part of the Leased Premises, the Lessee shall present its plans to the Lessor and obtain Lessor's approval thereof, such approval not to be unreasonably withheld. All such installation shall be scheduled by Lessee so as to cause minimal disruption to the operations of Lessor and other tower users. Lessor shall reserve the right to require reasonable specifications and scheduling requirements regarding installation of Lessee's equipment. Lessee shall indemnify Lessor and all other users of the tower and transmitter building against any damage to their equipment caused by Lessee and its agents and employees.

6. During the entire term of this Lease (as extended) Lessee shall be obligated to maintain its equipment in proper working order and to protect Lessor and all other users from interference caused by its installations or operations. Without limiting the generality of the foregoing, all maintenance and repair shall be performed by Lessee at times approved by Lessor and in a manner intended to minimize disruption to the activities of Lessor and other tower users. In the event that such interference cannot be cured immediately following notice to Lessee, the Lessee shall reduce power or terminate operations, as necessary, to eliminate the interference.

7. Either party may terminate this Lease at any time upon ninety (90) days written notice.

8. Lessee shall pay all electrical and other utility charges attributable to its equipment on the property and its share of all other costs incurred in the ownership, maintenance, repair, replacement and operation of the Leased Premises, including insurance and real estate taxes. At Lessor's request, Lessee shall arrange for the separate metering of utilities it consumes and shall pay such charges directly to the suppliers of such utilities. Alternatively, Lessor may allocate electrical and other utility charges among Lessor, Lessee and other users of the tower and building in a manner intended to approximate their consumption thereof, in which case Lessee's share of such costs will be added to and payable at the same time as the remainder of the rent specified in Paragraph 3 hereof.

9. The Lessee warrants that it is insured and shall remain so insured during the term of this Lease; and that it shall name the Lessor as an additional insured on its policies of insurance. Appropriate certificates of insurance shall be forwarded to the Lessor on an annual basis. The minimum coverage shall be no less than \$1,000,000.00 property damage and \$2,000,000.00 personal injury.

10. Lessee may not assign its right under this Lease to any other party without the prior written approval of Lessor, such approval not to be unreasonably withheld.

11. This Lease is subordinate to all existing and future liens, mortgages and encumbrances on the Leased Premises, and Lessee agrees to execute subordination agreements at Lessor's request.

12. Lessor, Lessee and all other lessees of Lessor's tower shall extend their full cooperation to comply with all rules, regulations and policies of the Federal Communications Commission and other governmental authorities. In particular, Lessee agrees to reduce power or terminate operations as necessary in order to ensure that members of the public and/or employees or agents of Lessor, Lessee and other tower users will not be exposed to radiofrequency radiation in excess of governmental guidelines.

13. Lessee shall indemnify and hold Lessor harmless from any and all loss, liability, damage and expense incurred by Lessor as a result of Lessee's use of the Leased Premises.

14. Any liability of Lessor under this agreement shall be limited to the value of the leased premises.

15. This Lease constitutes the entire agreement of the parties hereto and shall supersede all prior offers, negotiations and agreements. No revisions of this Lease shall be valid unless executed in writing by both parties.

16. Lessee acknowledges that the property on which the Leased Premises are located are being redeveloped. Lessee agrees, at its cost and expense, to relocate its equipment to another location on the property temporarily or permanently as may be requested by Lessor to accommodate Lessor's redevelopment plan for the property. Lessee also acknowledges that over the course of the redevelopment of the property its utility services and access may be interrupted from time to time.

17. All existing leases and agreements with Lessee regarding the property on Stock Island of which the Leased Premises form a part are hereby terminated and of no further force and effect except for Lessee's obligation to pay Lessor back rent and charges, which are not released by virtue of this agreement.

18. Lessee agrees to remove all personal property, if any, from the space previously occupied by Lessee. Lessee further agrees to relocate its existing fiber optic feed to the conduit which has already been installed on the site.

IN WITNESS WHEREOF, the parties hereto have executed this Lease for the purpose expressed herein, on the day and year written above.

SECTION 4.

A. SERVICE OF NOTICES. All notices or statements to be served or furnished by Tenant upon Landlord shall be served or furnished as set forth in Section 3(D) above.

The parties expressly agree that all notices required by this Commercial Lease Agreement or by law to be delivered to the Tenant including the "Three Days' Notice" required by Section 83.20(2) Florida Statutes, may be delivered addressed to Tenant at the Demised Premises, and if Tenant be absent from those premises or if Tenant is not a natural person, may be served by leaving a copy thereof at the Demised Premises. It is hereby agreed between the parties that all notices served upon one of two or more joint Tenants in the manner described above shall constitute notice upon all Tenants.

B. WAIVER OF DEMAND. It is further expressly agreed that if Tenant fails to make any rental or other payments when due, the Landlord may immediately re-enter and take possession of the Demised Premises without the necessity of demand for the payment of rent.

C. UNLAWFUL DETAINER. It is expressly agreed between the parties, that in the event Tenant should breach any covenant to be kept or performed by Tenant under this Lease, other than the payment of rent, Landlord shall have the immediate right to institute proceedings for Unlawful Detainer on account of such default.

SECTION 5. SECURITY DEPOSIT. Landlord acknowledges that Tenant has previously deposited with the Landlord the sum of \$1,200.00 as security for the full and faithful performance by Tenant of its obligations under this Lease. The said sum shall be held by Landlord without interest and not in trust, and may be commingled with the funds of Landlord. The deposit shall be returned to Tenant within thirty-(30) days after the expiration of this Lease, provided Tenant has performed all of its obligations hereunder.

Landlord shall have the right, but not the obligation, to apply any part of the deposit to cure any default of Tenant. Tenant shall reimburse to Landlord any amount so applied in order to restore the full amount of the deposit within ten (10) days after demand therefore.

SECTION 6. USE. Tenant shall in good faith continuously throughout the term of this Lease conduct and carry on in the Demised Premises the business of administration of television station and the premises shall not be used for any other purpose. Failure by Tenant to continue the operation of its business in the Demised Premises on a normal basis shall constitute a default hereunder by Tenant and shall be grounds for re-entry and/or termination of this Lease by Landlord.

Tenant shall not solicit business nor distribute advertising matter in the parking or other common areas, operate or permit to be operated free or for pay, concessions in the common areas, operate or permit to be operated vending machines in the common areas. Tenant shall not permit any business to be operated in or from the leased Premises by any concessionaire or licensee without prior written consent of Landlord nor in violation of any governmental agency's rule, regulation, law or ordinance.

SECTION 7. ALTERATIONS AND COVENANT AGAINST LIENS. Tenant shall submit to Landlord any request for alterations, changes or improvements to the Demised Premises, in writing, with plans and specifications therefore. Landlord, at its sole option, shall have the right to approve or disapprove such alterations, changes or improvements. If permitted by the Landlord, all such work shall be done at the sole cost of the Tenant, and no liens of any kind shall be permitted ever to attach to Landlord's property. Tenant shall have no power or authority to create any lien or permit any lien to be attached against the property of Landlord; all parties contracting with Tenant are hereby charged with notice that they must look solely to the Tenant to secure payment for work done or materials furnished. Landlord shall have the right but not the obligation to record a Memorandum of Lease, which prohibits the attachment of any kind of lien to Landlord's

Property on account of activities by Tenant. If a lien is nevertheless filed against the Landlord's property based on alterations, improvements or other activities by Tenant, Tenant shall remove such a lien at Tenant's sole expense within five (5) business days after demand for such removal from Landlord.

Landlord shall have the right to direct Tenant at the expiration of the term of this Lease, to remove any alterations, changes or improvements which Tenant may make, or any part thereof, at the sole cost of Tenant; or the Landlord may perform such removal at the cost of Tenant.

Landlord may require such assurances of adequate financing for such contemplated alterations or improvements by Tenant as Landlord may, in its sole discretion, deem to be in the best interests of the Landlord, prior to any alterations, changes or improvements by the Tenant being commenced.

Any additions, alterations, improvements, repairs or replacements, and any fixtures attached to the premises, and all air conditioning equipment shall become and be a part of the Demised Premises and shall belong to the Landlord as Landlord's property.

SECTION 8. MAINTENANCE. Tenant shall, at all times, and in all respects keep the Demised Premises in good order and repair, clean, safe and sanitary and commit no waste, damage or injury to said premises. At the expiration of this Lease, Tenant shall surrender the Demised Premises and all improvements thereto in good order and repair. It is the agreement hereunder that the Tenant will maintain the entire Demised Premises, including, but not limited to, the maintenance, repair and/or replacement of all electrical, plumbing, heating and air conditioning equipment, all doors, windows and frames, the storefront, the walkways or sidewalks in front of the premises, and any other area connected with Tenant's business activity, and all glass, and all furniture and furnishings owned by Landlord and used by Tenant at the Demised Premises in first class condition; however, Tenant shall be the beneficiary of any warranties which have been extended to Landlord for improvements provided by Landlord. Landlord's maintenance responsibility shall be limited to the exterior structural walls, the roof and the foundation, and the electrical and plumbing systems which are beyond the Demised Premises but which serve said premises, unless these are injured by the acts or omissions of Tenant or of Tenant's employees, agents, guests, customers, or invitees, in which case Tenant shall hold Landlord harmless for such damages.

SECTION 9. UTILITIES. Tenant shall be liable for its share of all utilities used at the Premises and shall hold Landlord harmless therefore.

SECTION 10. RIGHT OF ENTRY. Landlord shall have the right to enter the Demised Premises at all reasonable hours for the purpose of inspecting the same, or exhibiting the same to others, or for the purpose of making repairs or alterations to the Demised Premises, or for any other purpose or purposes contemplated under this Lease. In exercising such right, Landlord shall not unduly interfere with Tenant's business. Landlord, its employees, agents or contractors shall incur no liability upon such rightful entry upon the Demised Premises.

SECTION 11. ASSIGNMENT. The Tenant shall not assign this Lease or any estate or interest herein, whether by sublease, underlease, license, concession or otherwise which would permit the occupancy or possession of the Demised Premises or any part thereof by anyone other than Tenant. If Tenant is a corporation, then any transfer of control or a majority interest in the Tenant corporation shall be deemed an assignment of this Lease. Upon any assignment, Landlord may terminate this Lease without notice. No assignment by operation of law or by the bankruptcy of the Tenant shall be permitted which shall change the use of the premises, or which shall violate the use provisions of any other Tenant of the shopping center, or

* without prior consent of the Landlord which consent shall not unreasonably be withheld.

which shall adversely affect the character of the shopping center. If Tenant has defaulted in any provision of this Lease prior to the time of filing a bankruptcy petition, whether voluntary or involuntary, then Landlord may reject the assumption of this Lease by the trustee, unless trustee provides assurance to Landlord of the adequacy of the source of rents and other amounts due from Tenant under the Lease.

SECTION 12. TENANT'S ADDITIONAL COVENANTS. Tenant shall comply with all reasonable rules and regulations which may be imposed by Landlord concerning the care and use of the Demised Premises and the common areas including those attached to this Lease, if any. Tenant shall comply with all laws, rules, regulations and ordinances of all governmental authorities having jurisdiction over the Landlord's property or the Demised Premises. Tenant shall not perform or allow to be performed any acts or practices, or sell any goods or merchandise or render any services in violation of any law or which may injure the shopping center or be a nuisance or menace to the public or other tenants, or commit waste or permit waste to be committed on the premises, or engage in or permit any illegal activities to take place on the premises.

Tenant and its employees shall park only within such areas as may be designated by the Landlord for employee parking, all as more fully illustrated on the site plan attached hereto as Exhibit "B" and incorporated herein by reference.

Tenant shall keep the Demised Premises, including the areas adjacent to the Demised Premises, clean and free from rubbish and dirt at all times. Tenant shall appropriately store all trash and garbage and arrange for the regular removal of the same. Tenant shall provide such pest extermination services as Landlord may reasonably require.

Tenant shall not allow any loud noises to emanate from its premises that are objectionable to Landlord or other tenants. Tenant shall not make any exterior installation or decorations without the written consent of the Landlord.

Tenant shall not keep or display any merchandise as or otherwise obstruct the areaways adjacent to the Demised Premises without the written consent of the Landlord.

Tenant shall, within ten (10) days after demand therefore, execute and deliver to Landlord an estoppel certificate setting forth the relevant details of this Lease and its then current status, in a form satisfactory to Landlord. Tenant hereby appoints Landlord its attorney-in-fact to execute and deliver such estoppel information, in its place and stead, in the event that Tenant fails to provide such estoppel information within the time set forth hereinabove.

SECTION 13. INSURANCE. Tenant shall maintain in full force, during the term of this Lease, a policy or policies of comprehensive general liability insurance, in a form reasonably satisfactory to the Landlord, written by one or more responsible insurance companies licensed to do business in the State of Florida, which will insure Tenant and which will name Landlord as an additional insured. The coverage under such insurance shall be not less than \$1,000,000.00 combined single limit of liability for bodily injury (per person and per accident) and property damage, or such greater amounts as Landlord may from time to time reasonably specify. Tenant shall also maintain and keep in force plane glass insurance coverage on all plane glass in the Demised Premises. Tenant shall deposit with Landlord copies or certificates of all said policies, including an endorsement which states that such insurance shall not be cancelled except after thirty (30) days notice in writing to Landlord.

Tenant shall maintain comprehensive casualty insurance, including fire, flood and windstorm, on all of its inventory, fixtures and equipment in the Demised Premises, in an amount not less than ninety (90%) percent of their sound insurable value. The proceeds of such insurance shall be used for the repair or replacement of the items so insured.

Landlord and Tenant hereby grant to each other, on behalf of any insurer providing insurance to either Landlord or Tenant as required by this Lease covering the Demised Premises, the improvements therein or contents thereof, a waiver of any right of subrogation which any such insurer of one party may acquire against

P. 6

the other by virtue of payment of any loss under such insurance. Such waivers shall stand mutually terminated as of the date either Landlord or Tenant ceases to be empowered to grant the same.

SECTION 14. FIRE OR OTHER CASUALTY. If the Demised Premises, or the building or the shopping center of which the Demised Premises are a part, or either of them, shall be damaged or destroyed to the extent of twenty (20%) or more of the sound insurable value thereof at the time of such damage or destruction, or shall be damaged or destroyed as a result of a risk which is not covered by the insurance which is carried by the Landlord, then the Landlord may, at its sole election, restore or rebuild the Demised Premises, or the building of which they are a part, or Landlord may terminate this Lease. In the event Landlord elects to restore or rebuild, then Landlord shall proceed to do so with due diligence, and Tenant shall replace or restore, with due diligence, its inventory and equipment and all fixtures. In the event Landlord elects to terminate this Lease, then this Lease shall terminate at the end of the calendar month in which Landlord so notifies Tenant.

The Tenant shall, during any period of reconstruction or repair of the Demised Premises and/or of the building of which they are a part, continue the operation of its business in the Demised Premises to the extent reasonably practicable, and Tenant shall receive a fair adjustment in the minimum rent.

SECTION 15. INDEMNITY AND LIABILITY. Tenant shall indemnify and save harmless the Landlord from and against any and all claims for damages to goods, wares, merchandise and property in and about the Demised Premises and from and against any and all claims for any personal injury or loss of life in and about the Demised Premises.

Anything in this Lease to the contrary notwithstanding, Tenant agrees that it shall look solely to the estate and property of the Landlord in the land and buildings comprising the property wherein the Demised Premises are a part, and subject to prior rights of any mortgagee of the Premises, for the collection of any judgment (or other judicial process) requiring the payment of money by Landlord to Tenant in the event of any default or breach by Landlord, with respect to any of the terms, covenants and conditions of this Lease to be observed and/or performed by Landlord, and no other assets of Landlord shall be subject in levy, execution or other procedures for the satisfaction of Tenant's remedies. In the event Landlord transfers this Lease, except as collateral security for a loan, upon such transfer Landlord will be released from all liability and obligation hereunder, provided that the Transferee assumes the obligations hereunder.

SECTION 16. REPAIRS BY LANDLORD. Landlord's responsibility, if any, for repairs required to be made by Landlord under this Lease, shall not arise until Landlord has received written notice from Tenant and the need for same exists in the judgment of the Landlord; and, so long as Landlord is proceeding with due diligence to make such repairs, Tenant shall have no claim against Landlord for damages nor for an offset against rent on account of such repairs.

SECTION 17. WAIVER. One or more waivers of any covenant or condition by either party shall not be construed as a waiver of a subsequent breach of the same covenant or condition, and a consent or approval to or of any act requiring consent or approval shall not be deemed to waive or render unnecessary such consent or approval of any subsequent similar act.

SECTION 18. SUBORDINATION. At the election of the Landlord, this Lease is made subject and subordinate to the mortgage or mortgages that may now or hereafter affect the Demised Premises. Tenant shall execute, acknowledge and deliver to the Landlord any documents that may be necessary or proper to subordinate this Lease and the rights hereunder to the benefit of any such mortgages as aforesaid.

SECTION 19. EXCUSE OF PERFORMANCE. Except for the payment of money, neither Landlord nor Tenant shall be considered in default because of delays to the extent that their delay in performance under this Lease shall be due to any cause beyond their control; provided, however, that such performance shall be resumed and completed with due diligence as soon as reasonably possible.

SECTION 20. EMINENT DOMAIN. If any material portion of the Demised Premises, or the building of which they are a part, shall be taken by condemnation or right of eminent domain (the words "condemnation" and "eminent domain" as used herein shall include purchase or conveyance in lieu thereof), then the lease term shall cease upon the day possession shall be taken thereunder.

SECTION 21. DEFAULT, BANKRUPTCY & INSOLVENCY. If the Tenant shall fail to make any payment of rent or other payment required of Tenant within seven (7) days from its due date, or shall fail to perform or observe any of Tenant's other covenants or agreements within twenty (20) days after notice by Landlord, or if the Demised Premises shall be abandoned or become vacant or be closed for business for more than fifteen (15) calendar days, then the Landlord shall have the right, immediately or at any time thereafter, with or without notice, to enter upon the Demised Premises and repossess the same, and evict the Tenant, and seize or remove any or all personal property within the Demised Premises, without being deemed guilty of any manner of trespass and without prejudice to any other remedies of Landlord. Landlord may terminate this Lease at any time thereafter. Tenant shall repay the Landlord for any loss of rent or other income, or any expenses that Landlord may incur because of Tenant's default, including (but not limited to) legal fees and costs, brokerage commissions, and maintenance expenses. Tenant shall reimburse Landlord for Landlord's reasonable attorney fees incurred in enforcing any of the Tenant's obligations under this Lease, in law or in equity, whether suit be brought or not. Upon default by the Tenant hereunder, Landlord may declare all unpaid past and future rents accelerated and immediately due and may, without further notice or demand, bring such action against Tenant to recover all rents due and to become due under this Lease.

All rents or other payments due by Tenant hereunder shall bear interest from the due date until paid at the maximum legal rate of interest.

SECTION 22. LANDLORD'S LIENS. It is expressly agreed and understood that the Landlord shall have and is hereby granted an express contractual lien upon all goods, wares, chattels, equipment, furniture, fixtures and other personal property belonging to the Tenant and placed upon the Demised Premises during the leasehold term, to secure all the rent hereunder, as well as security for all other obligations assumed by the Tenant hereunder, and it is expressly agreed that the taking of any other security for said rent by Landlord shall not operate as a discharge of or in anywise impair such lien nor shall the taking of the express contract lien in this paragraph provided be construed as in any way releasing or impairing the separate Landlord's lien arising by law. Nothing, however, in the foregoing shall be so construed as to prohibit, impair or affect the right of the Tenant to make sales of its merchandise and/or services to its customers in the regular course of business free and clear of the lien aforementioned.

SECTION 23. TENANT'S SHARE OF COST OF COMMON AREAS. [deleted]

SECTION 24. QUIET ENJOYMENT. The Tenant, upon paying said rent and performing all the other covenants and conditions aforesaid on Tenant's part to be observed and performed, shall and may peacefully

and quietly have, hold and enjoy the premises hereby demised for the term aforesaid, free from disturbance by the Landlord, or by anyone claiming by, through or under the Landlord.

SECTION 25. SIGNS. Tenant may erect and maintain, at its sole cost and expense, its signage as such exists at the inception of this Lease. Such signage shall always be subject to the prior written approval of Landlord in its sole discretion. It is the exclusive responsibility of Tenant to obtain and maintain all necessary permits and licenses to erect and maintain such sign, and a material breach hereof for failure to do so.

Tenant shall keep insured and maintain such sign in good condition, repair and operating order at all times. If any damage is done to Tenant's sign, Tenant shall commence to repair same at Tenant's expense, within ten (10) days.

Tenant shall not place or permit to be placed or maintained on any door, exterior wall, or window of the Demised Premises any sign, awning, or canopy or advertising matter or other thing of any kind, and shall not place or maintain any decoration, lettering or advertising matter on or about the Demised Premises without first obtaining Landlord's written consent. Tenant further agrees to maintain any such sign, or other things as may be approved by Landlord in good condition, operating order and repair at all times.

SECTION 26. HOLDING OVER. Any holding over after expiration of this term or any renewal term shall be construed to be a tenancy at sufferance, at double the rent herein specified (prorated on a monthly basis) and shall otherwise be on the terms herein specified so far as applicable.

SECTION 27. FINANCING. [deleted]

SECTION 28. MISCELLANEOUS. This Lease and the Exhibits, and/or Addenda, if any, attached hereto, set forth the entire agreement between the parties. Any prior conversations or writings have been merged herein and are extinguished. No subsequent amendment to this Lease shall be binding upon Landlord or Tenant unless reduced to writing and signed by all parties. If any provision contained in a rider or addenda is inconsistent with the printed provision of the Lease, the provision contained in said rider or addenda shall supersede said printed provision in the Lease.

SECTION 29. COMPLIANCE WITH LAW. Tenant, at Tenant's expense, shall comply with all laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities pertaining to Tenant's use and occupancy of the Premises and with the recorded covenants, conditions and restrictions, regardless of when they become effective, including, without limitation, all applicable federal, state and local laws, regulations or ordinances pertaining to air and water quality, Hazardous Materials (as hereinafter defined), waste disposal, air emissions and other environmental matters, all zoning and other land use matters, and utility availability, and with any direction of any public officer or officers, pursuant to law, which shall impose any duty upon Landlord or Tenant with respect to the use or occupation of the Premises.

SECTION 30. USE OF HAZARDOUS MATERIAL.

I. Tenant shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises by Tenant, its agents, employees, contractors or invitees. If Tenant breaches these obligations, the Tenant hereby agrees to indemnify, defend and hold Landlord harmless from any and all

claims, judgments, damages, penalties, fines, costs, liabilities or losses (including, without limitation, diminution in value of the Premises, damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises, damages arising from any adverse impact on marketing of space, and sums paid in settlement of claims, attorneys' fees, consultant fees and expert fees) which arise during or after the lease term as a result of such contamination. This indemnification of Landlord by Tenant includes, without limitation, costs incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or ground water on or under the Premises. Without limiting the foregoing, if the presence of any Hazardous Material on the Premises caused by Tenant results in any contamination of the Premises, Tenant shall promptly take all actions at its sole expense as necessary to return the Premises to the conditions existing prior to the introduction of any such Hazardous Material to the Premises; provided that Landlord's approval of such actions shall first be obtained, which approval shall not unreasonably withhold so long as such actions would not potentially have any material or adverse long-term or short-term effect on the Premises. The foregoing indemnity shall survive the expiration or earlier termination of this lease.

2. As used herein, the term "Hazardous Material" means any hazardous or toxic substance, material or waste, including but not limited to, those substances, materials, and wastes listed in the United States Department of Transportation Hazardous Materials Table (49 CFR 172.101) or by the Environmental Protection Agency as hazardous substances (40 CFR Part 302) and amendments thereto, or such substances, materials and wastes that are or become regulated under any applicable local, state or federal law.

3. Inspection. Landlord or its agents shall have the right, but not the duty, to inspect the Premises at any time to determine whether Tenant is complying with terms of this Lease. If Tenant is not in compliance with this Lease, Landlord shall have the right to immediately enter upon the Premises to remedy any contamination caused by Tenant's failure to comply notwithstanding any other provision of this Lease. Landlord shall use its best efforts to minimize interference with Tenant's business but shall not be liable for any interference caused thereby.

4. Default. Any default under this Section shall be a material default enabling Landlord to exercise any of the remedies set forth in this Lease.

SECTION 31. RADON GAS. Radon Gas is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

SECTION 32. ADDITIONAL PROVISIONS.

The captions, numbers and index appearing herein are inserted only as a matter of convenience and are not intended to define, limit, constitute or describe the scope or intent of any paragraph, nor in any way affect this Lease.

This Commercial Lease Agreement shall be construed in accordance with the laws of the State of Florida. All litigation arising out of this Lease or in connection therewith shall be commenced in Miami-Dade County.

This Commercial Lease Agreement shall be binding upon and the benefits hereunder shall inure to the heirs, personal representatives, estates, successors, trustees and assignees of the parties hereto.
