This is to certify that the undersigned, James A. Bender, did provide direct supervision of the installation of the directional antenna specified in Construction Permit BPED-20100401ADU for KOFG (FM), Cody, Wyoming, FCC Facility ID 121854, and that it was installed in accordance with the specifications and instructions provided by the manufacturer.

The undersigned is the principal and senior engineer of Montanavision Media Incorporated, a firm that provides broadcast engineering services. I am a Senior Member of the Society of Broadcast Engineers and a Certified Broadcast Technologist. I earned my Second Class Radiotelephone Operator License in 1971, and First Class Radiotelephone Operator License in 1972. I have been employed as a broadcast engineer for 39 years, and have designed, supervised, and constructed numerous broadcast facilities. Though my name seldom appears on official filings, it is frequently my work and data that supports the applications.

Respectfully submitted this 24th day of September, 2010,

James A. Bender, President
