

Surveyor's Certification

This is a certification that Frederick, Seibert and Associates, Inc. performed a field survey on April 14, 2009 in Washington County, Maryland. The survey was performed for Four Rivers Community Broadcasting Corporation, Station WZXH Hagerstown, Maryland. We aligned a SWR model FMEC/2-DA also known as the WZXH FM Antenna. The orientation of the antenna is 328 degrees from true north.

Frederick, Seibert and Associates, Inc. certifies that the WZXH antenna aligned on April 14, 2009 is in alignment, as specified by the manufacturer.
