In re: NEW(FM), Colona, CO
Facility ID No. 190375
Educational Media Foundation ("EMF")
BNPH-20120529ALF

Dear Applicant:

The staff has under consideration the above-captioned FM Auction No. 93 long form application for a new commercial FM facility. The application proposes to modify the community of license from Hotchkiss, CO to Colona, CO.

An engineering review of the application reveals that the proposal violates 47 CFR § 73.3573(g)(4). Specifically, non-reserved band applications must demonstrate the existence of a suitable assignment site that fully complies with §§ 73.207 and 73.315. In Section III-B, in the "Tech Box," Item 4, the Proposed Assignment Coordinates was checked as "Not Applicable". In order to request a channel, class, or community of license change, a proposed assignment site must be specified in Item 4. Accordingly, Section III-B, Item 4 of the application must be amended to specify a suitable assignment site.

Further action on the subject application will be withheld for a period of thirty days from the date of this letter to provide the applicant an opportunity to respond. Failure to respond within this time period will result in the dismissal of the application pursuant to 47 C.F.R. § 73.3568(a). Please note that any amendment must be submitted in the same manner as the original application.

Sincerely,

Rodolfo F. Bonacci
Assistant Chief
