

Keith J. Leitch
Broadcast Engineer
P.O. Box 1118
Santa Rosa, CA 95402

ENGINEERING AFFIDAVIT

On June 26, 2009 I supervised the installation of the new antenna for KLSI in accordance with the construction permit BMPED-20080618APB. I certify that the antenna was installed pursuant to the manufacturer's instructions.

Declaration:

I, Keith J. Leitch have a Master of Science degree from New Mexico State University in Electrical Engineering

That, I declare that I have received training as a technical consultant as a member of the staff of Wes, Inc., in El Paso, Texas, under the mentorship of Pete Warren

That, I have been consulting in the field of broadcast radio and television for thirteen years

That, my qualifications are a matter of record with the Federal Communications Commission, and;

That, I am an expert in signal and spectrum analysis and have nine years experience in the field of technical marketing and support of signal analyzers

That, I have personally prepared these engineering showings, the technical information contained in same and the facts stated are true to my knowledge, and;

That, under penalty of perjury, I declare the foregoing is correct.

Keith J. Leitch
