Pierre, SD BNPTTL-20000831BSA

FCC Form 346 - Application for Authority To Construct a Low Power
Television Station

Dear Officer:

Attached is our FCC Form 346 for a new station in Pierre, South Dakota. As per your granting the Trinity and Inspiration TV settlement agreements entered into last August and pursuant to which you would grant our application for LPTV station in Pierre, SD, channel 34.

On August 31, 2001, we filed a basic application and now we are amending it by filing the details. Three Angels Broadcasting Network and Inspiration TV have submitted a settlement agreement to resolve the mutual exclusivity among the applications (MX Group 264). The settlement calls for the applicants to accept interference from each other's proposed facilities.

If any further information is necessary to process this application, please do not hesitate to contact me.

Sincerely,

Moses Primo
