

The map displays the 60 dBμ coverage area for WRVX in the Cincinnati region. The coverage is indicated by a thick green line forming a large, irregular loop. Numerous cities and towns are marked with black dots and labeled, including Cincinnati, Dayton, and various smaller communities. The map features a coordinate grid with latitude and longitude markings. Specific call signs 'KMTN' and 'KTTN-FM' are noted in blue text. The title 'WRVX 60 dBμ' is prominently displayed in green text within the coverage area.
