

## **Directional Antenna Installation Certification**

In compliance with FCC Regulation 73.316, section (c), paragraph (8), this is to certify that the Dielectric Model SKM10CD directional antenna for Radio Station KBRQ operating at 102.5 Mhz and licensed to Hillsboro, Texas, has been erected according to design and installation instructions provided by Dielectric Communications, Inc., of Raymond, Maine.

This document is in lieu of documentation from the licensed surveyor regarding antenna installation compliance.

The installation was supervised by Mr. William J. Elmer, Electronics Research, Inc. ("ERI") Vice-President of Customer Service. Mr. Elmer has been employed by ERI since 1974, has served in the capacity of Vice-President of Customer Service/Technical Support for the past twenty-five (25) years, and has performed and supervised numerous installations.

Date: July 25, 2001
