

SRN Communications, Inc.  
Eligibility Exhibit  
LPFM Application  
Facility #193220

The instant application seeks an authorization for a new LPFM construction permit for S SRN Communications, Inc. (the “Applicant”).

The Applicant is eligible for an LPFM station authorization under 47 C.F.R. Section 73.503 of the Commission’s rules, which applies to LPFM stations pursuant to 47 C.F.R. Section 73.801. 47 C.F.R. Section 73.503 provides that a noncommercial educational (“NCE”) FM broadcast station “will be licensed only to a nonprofit educational organization and upon showing that the station will be used for the advancement of an educational program.”

The Commission has previously determined that the three basic NCE eligibility requirements are: (1) nonprofit educational organization; (2) an educational goal or purpose; and (3) use of station programming to further that educational purpose. As more fully described below, the Applicant identified in the instant application and the proposed use of the LPFM station meets each of the NCE eligibility requirements.

**The Applicant is a nonprofit educational organization**

The applicant is non-profit organization that exists to ascertain and develop educational programming for the residents of Manville, New Jersey.

**The Applicant possesses an educational goal or purpose**

The Applicant’s educational goal is to collect and disseminate information concerning the scope and availability of other non-profit services in the community.

The Applicant will offer a wide variety of educational programming designed to meet the needs and interests of those living in the area, including educational programs on current events, and programs examining economic, social and religious issues. The applicant will also feature

local music, news and other cultural programming. In furtherance of its educational purpose, the programming include features such as news for the family, which will explore family issues, values and understanding, and managing your money, which is designed to assist families and individuals manage their personal finances.

The Applicant will reach out to high schools and colleges, both community and state as well as vocational and trade schools, to let them know that should any of their students be interested in the radio broadcasting field, that they are more than welcome to volunteer their time to use this station as a platform to learn what it takes to be successful from marketing to production and from on-air to engineering and compliance.

**The Applicant will use the station to further the Applicant's educational purpose.**

The station and its programming will further the Applicant's educational purpose. Specifically, the Applicant will use the station to educate the members of the community about its programs and other opportunities.

The Applicant is prepared to submit additional information regarding its educational purpose and the proposed use of the station upon request. However, it is respectfully submitted that the foregoing establishes its eligibility pursuant to established precedent to apply for the facility proposed in the instant Application.
