In re: Low Power Television Application of:  
Lin of New Mexico, LLC  
Channel 46, Artesia, NM  
File no.: BMPDTT-20120521ACA  
Facility Id No.: 32332

Dear Applicant:

Within 30 days from the date of this letter, file an amendment to resolve the deficiency that was discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, based on our registration search using the ASRN number 1003010 as indicated in the proposed construction permit, the tower registration has been terminated. A screen shot of the registration search results is below for your reference.

| Specified Search                        |                     |            |             |                               |                             |                      |                                   |
