

Supervising Engineers Certification

I hereby certify that the installation of an ERI directional antenna to be used by station KMOJ FM, Minneapolis Minnesota, under FCC construction permit BMPED-20100204ADM, was overseen by me.

I personally inspected the installation at the antenna site. The antenna was installed in accordance with the manufacturer's instructions. The orientation of the antenna was verified by a licensed surveyor.

My qualifications as an engineer are over 22 years broadcast engineering experience including construction of many medium and high power transmitter plants.

I certify under penalty of perjury that the foregoing statements are true and correct.

Executed on December 24, 2010.
