11.5 Amendments. No amendment or waiver of compliance with any provision hereof or consent pursuant to this Agreement shall be effective unless evidenced by an instrument in writing signed by the party against whom enforcement of such amendment, waiver, or consent is sought.

11.6 Entire Agreement. This Agreement (including the Schedules hereto) constitutes the entire agreement and understanding among the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings with respect to the subject matter hereof, except any confidentiality agreement among the parties with respect to the Stations, which shall remain in full force and effect. No party makes any representation or warranty with respect to the transactions contemplated by this Agreement except as expressly set forth in this Agreement. Without limiting the generality of the foregoing, Edgewater makes no representation or warranty to RBG with respect to any projections, budgets or other estimates of the Stations' revenues, expenses or results of operations or, except as expressly set forth in Article 2, any other financial or other information made available to RBG with respect to the Stations.

11.7 Severability. If any court or governmental authority holds any provision in this Agreement invalid, illegal or unenforceable under any applicable law, then, so long as no party is deprived of the benefits of this Agreement in any material respect, this Agreement shall be construed with the invalid, illegal or unenforceable provision deleted and the validity, legality

and enforceability of the remaining provisions contained herein shall not be affected or impaired thereby.

11.8 No Beneficiaries. Nothing in this Agreement expressed or implied is intended or shall be construed to give any rights to any person or entity other than the parties hereto and their successors and permitted assigns.

11.9 Governing Law; Consent to Jurisdiction; Venue. The construction and performance of this Agreement shall be governed by the laws of the State of Texas. Edgewater consents to the exclusive jurisdiction of the State of Texas, and agrees that any action related hereto shall be brought in the District Court for Potter County, Texas, or the Federal District Court, Northern District of Texas, Amarillo Division, and that venue shall be proper therein. Edgewater hereby waives any objection that such venue is improper or is an inconvenient forum. The prevailing party in a lawsuit brought to enforce the performance or compliance of any provision of this Agreement may recover reasonable attorneys' fees and costs from the non-prevailing party.

11.10 Counterparts. This Agreement may be executed in separate counterparts, each of which will be deemed an original and all of which together will constitute one and the same agreement.

11.11 Schedules.

(a) The fact that any item or information is contained in the Schedules to this Agreement shall not be construed to mean that such item or information is required to be disclosed in or by this Agreement or that such item or information is material (as such term is used in this Agreement). The Schedules to this Agreement qualify all representations, warranties and covenants set forth in this Agreement.

(b) Edgewater shall deliver Schedules 2, 3, and 4 referenced or required by this Agreement on or before November 15, 2018.
