

NM Licensing performed a multiple ownership study for the following stations to determine eligibility for ownership of Chuckie Broadcasting Company stations.

Station	City of License	Licensee
KKAJ FM	Ardmore, OK	Chuckie Broadcasting Company
KKAJ APP	Ardmore, OK	Chuckie Broadcasting Company
KYNZ FM	Lone Grove, OK	Chuckie Broadcasting Company
KYNZ FM CP	Lone Grove, OK	Chuckie Broadcasting Company
KTRX FM	Dickson, OK	Dickson Radio, LLC
KVSO AM	Ardmore, OK	Chuckie Broadcasting Company
KMKT FM	Bells, TX	NM Licensing
KLAK FM	Durant, OK	NM Licensing
KMAD FM	Madill, OK	NM Licensing
KMAD FM CP	Whitesboro, TX	NM Licensing
KBFB FM	Dallas, TX	Radio One Licenses, LLC
KSOC FM	Gainesville, TX	Radio One Licenses, LLC
KSOC FM APP	Gainesville, TX	Radio One Licenses, LLC

KKAJ has an application on file to correct tower coordinates to match their Antenna Structure Registration Number. No discernable difference in contour counts were noted between KKAJ license and application. KYNZ has a construction permit to change channel, transmitter location and increase power. KSOC has an application to change transmitter location. KMAD-FM has a construction permit to change transmitter location, city of license and increase power. These factors are considered in the following studies.

One market consists of KLAK, KMKT, KSOC, KSOC-APP and KMAD-FM--CP. A study of these contours and the KSOC licensed contour show a total of 77 stations. The same study using the KSOC-APP contour show a total of 75 stations, allowing an ownership cap of 8 stations with 5 in one service.

Another market consists of KMAD-FM, KYNZ, KTRX, KKAJ and KVSO. A study of these contours show a total of 27 stations. The same study conducted without KMAD-FM shows a total of 24 stations. The same study conducted with KYNZ-CP shows a total of 28 stations. The same study conducted without KMAD-FM shows a total of 24 stations, placing the limit at 6 stations with 4 in one service in this market.

Adding KSOC to this mix shows a total of 82 stations. Adding KSOC-APP to the mix shows a total of 80 stations, placing the limit at 8 stations with 5 in one service.
