Dear Applicant:

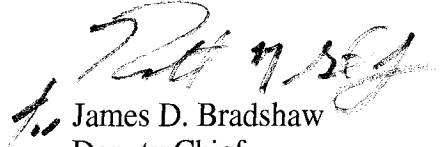

This is in reference to the request filed March 31, 2008, on behalf of Radio Assist Ministry, Inc. ("RAM"), licensee of K248BL, Billings, Montana. RAM requests special temporary authority ("STA") to rebroadcast the programming of AM Station KURL(AM), licensed to Elenbaas Media, Inc. in Billings, Montana, on FM Translator K248BL. In support of the request, RAM states that KURL(AM) is unable to provide a nighttime signal because of its authorized hours of operation. KURL(AM) is authorized to operate only in the daytime with an effective radiated power of 5 kilowatt.

Having given the proposal thorough consideration, we find that the Public Interest would be served by grant of RAM's request.

Accordingly, the request for STA IS HEREBY GRANTED. Station KURL(AM) may rebroadcast its programming on FM Translator K248BL. RAM must take whatever steps are necessary to prevent exposure of workers and/or the public to radio frequency fields in excess of the Commission's exposure limits. *See* 47 CFR Sections 1.1307(b), 1.1310.

This authority expires on **November 2, 2008**.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. D. Bradshaw", is written over the typed name.
