Dear Mr. Hoge;

After considering your request, WKMG has no objection to your filing of the application to change the community of license of translator W212BF to Tavares with no other associated technical modifications to the facility as authorized by the FCC file number BLFT-19990610UA. As discussed Central Florida Educational Foundation, Inc. will continue to work with WKMG to insure that the translator has no impact to WKMG's operation.

Sincerely,
