Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that you have filed a second displacement application BDISDTL-20100802AZD, which is considered to supersede the prior displacement application BDISDTL-20090126ADQ. In addition, you can not have two displacement applications pending at the same time; therefore, the above referenced displacement application IS HEREBY DISMISSED.
