\* Wilks Broadcast Manager LLC is intended to provide a vehicle by which principal executive officers of Wilks Broadcast Group LLC and managers of the various station clusters will be able to receive “upside” value in relation to the success of the respective clusters. The percentage participation of this entity in Wilks Broadcast Group Holdings LLC, as well as the identity and participation levels of the members of this LLC, will be determined in the future, but could under certain circumstances be in the aggregate up to a maximum of 25% (subject to possible forfeiture and performance criteria), after return to the investors in Wilks Broadcast Group Holdings LLC of all invested capital plus a preferred return thereon (corresponding to Class A Member LLC interests in Wilks Broadcast Group LLC).

In addition, the persons being granted membership interests in this entity will be expected to make capital contributions to this entity, which will in turn invest such capital contributions in Wilks Broadcast Group Holdings LLC in exchange for a Class A Member LLC interest therein. The aggregate percentage interest in Wilks Broadcast Group Holdings LLC to be represented by such Class A Member LLC interest to be held by Wilks Broadcast Manager LLC will be determined and adjusted from time to time in the future, but is not expected to exceed 3.0% (based on expected capital contributions not exceeding \$305,000), and would proportionately reduce the aggregate percentage interest of other LLC members of Wilks Broadcast Company Holdings LLC holding Class A Member LLC interests therein.
