Gabriel Media, licensee of KYES, Facility ID No. 136921, Rockville, MN is not operating the station pursuant to program test authority because the station is being operated pursuant to a license to cover, see CDBS File No. BMML-20090527AIB and LMS File No. 0000127013, granting renewal of the license.

Exhibit 2 – Applicant Information

Gabriel Media (“Gabriel”), licensee of KSKK(AM) and KYES(AM),¹ is a Minnesota not-for-profit corporation controlled and operated by the Catholic Diocese in St. Cloud, Minnesota. Gabriel utilizes its stations to provide educational and religious programming to its community, and seeks to designate these stations as noncommercial educational stations in accordance with the mission of Gabriel and the stations. As demonstrated below, Gabriel meets the necessary eligibility and financial criteria to be designated as a noncommercial educational entity and have these stations designated accordingly.

Eligibility

The Commission has not previously found that Gabriel qualifies as a noncommercial educational entity, however, Gabriel certifies that it qualifies as a noncommercial educational entity and that it will use the stations to advance a qualifying educational program. As demonstrated by the attached letter from the IRS and State of Minnesota registration, Gabriel is a not-for-profit organization designated as a local public charity.² In addition, as demonstrated in the Articles of Incorporation, the purpose of Gabriel is to educate its community, which includes the development and airing of educational programming.³ Gabriel presently uses the stations to provide predominantly educational, religious based programming for its community, and will continue to do so if granted NCE status. Thus, Gabriel qualifies to be designated as a noncommercial educational entity.

Gabriel also certifies that its governing documents permit Gabriel to advance an educational program. As demonstrated in the Articles of Incorporation, the purpose of Gabriel is to educate its community, which includes the development and airing of educational programming, and the Bylaws authorize the directors and operators to carry out this mission.⁴ As stated above, Gabriel currently uses the stations to air predominantly educational, religious programming, thus, Gabriel’s governing documents allow it to develop and advance an educational program.

Financial

Gabriel certifies that it has sufficient net liquid assets on hand or sufficient funds available to operate the facilities for three months without revenue. Gabriel has been operating a station since 2010 without financial difficulty. In addition, Gabriel has a designated line of credit that is sufficient to operate the stations for at least three months, in the event that it is necessary.⁵ Gabriel certifies that the application is not contingent upon approval of a grant.

¹ Gabriel is also licensee of KKJM-FM in St. Joseph, MN, however, Gabriel is not seeking noncommercial educational designation for this station at this time.
