Re: Notification of Reduced Power
KLWV(FM), Chugwater, WY (FIN: 91514)

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM radio station KLWV, Chugwater, Wyoming and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that KLWV has been operating at reduced power since April 26, 2015.

KLWV has been operating on a temporary transmitter at approximately 18% of its authorized power since April 26, 2015 due to either antenna or transmitter line damage. In the event EMF is unable to return KLWV to full power operations within 30 days, EMF will request special temporary authority to allow KLWV to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
