

EXHIBIT 3

The instant application filed by Bicoastal Holdings Company, LLC, proposes a fill-in translator, at **Coos Bay, Oregon**. KOOS(FM) is the primary commercial broadcast station whose signal will be rebroadcast by the fill-in translator proposed by this application. The proposed fill-in translator will not operate outside of the protected service contour of primary commercial broadcast station KOOS(FM).

The current licensee of KOOS(FM), North Bend, Oregon is New Northwest Broadcasters, LLC. On August 22, 2003, the Commission granted an application filed by New Northwest Broadcasters, LLC, to assign the license of KOOS(FM) to Bicoastal CB, LLC (see BALH-20030418ABI). The grant of assignment appeared on the FCC "Actions" Public Notice on August 27, 2003. Bicoastal CB, LLC is a wholly owned subsidiary of Bicoastal Holdings Company, LLC. Bicoastal Holdings Company, LLC expects the assignment of license of KOOS (FM) to its wholly owned subsidiary, Bicoastal CB, LLC., to be consummated in the very near future.
