

KPLK Antenna Construction and Installation Certification

Under penalty of perjury, I, Lowell E. Kiesow, do certify that I have assembled the KPLK Shively 6810-2R-SS-DA directional antenna according to the manufacturer's specifications.

I, Lowell E. Kiesow, have worked full time as a radio broadcast engineer for 25 years, and have extensive experience with broadcast transmitters and RF systems. I am currently the Chief Engineer of FM stations KPLU, KVIX, KPLI, and KPLK. My formal education includes a Bachelor of Science degree in Electronics Engineering Technology.
