

MEMORANDUM OF UNDERSTANDING

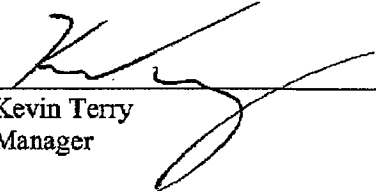

The Montana Radio Company, LLC ("Montana Radio"), licensee of radio stations KUUS(FM) Vaughn, MT (FCC Facility I.D. No. 164134), and KZUS(FM) Highwood, MT (FCC Facility I.D. No. 164132), and Fisher Radio Regional Group Inc. ("Fisher Radio"), licensee of radio station KQDI-FM Great Falls, MT (FCC Facility I.D. No. 32386) (collectively, the "Parties"), hereby evince their agreement to each file simultaneously and contingently with the Federal Communications Commission ("FCC"), pursuant to the Report and Order in MB Docket 05-210, 71 Fed. Reg. 76208 (December 20, 2006), FCC Form 301 Applications for KUUS(FM), KZUS(FM), and KQDI-FM for Minor-Change Construction Permits.

It its application, KUUS(FM) proposes to substitute Channel 269C3 for Channel 280C3. In order to eliminate the shortspacing that would be created by this channel substitution, KZUS(FM), contingently proposes in its application to delete Channel 269C1 at Highwood, MT, and add mutually exclusive Channel 270C3 at Helena Valley Northeast, MT. In order to not deprive Highwood of its sole local transmission service upon KZUS(FM) change of community of license, KQDI-FM continently proposes in its application to delete Channel 291C1 at Great Falls, MT, and add mutually exclusive Channel 291C1 at Highwood, MT.

A copy of this Memorandum of Agreement will form an attachment to each of the three Applications.

The Parties request that the FCC staff simultaneously and contingently process and grant their Applications for Minor-Change Construction Permits.
