

## Oak Hill, Ohio

It is well established that "community" status is generally satisfied if a place is incorporated or listed in the U.S. Census. The proposed modification of WKOV-FM is in a rural area and no FCC 70 dBu service to any Urbanized Area is being created. A study of the allotment site, application site and other potential tower sites indicates that it will not be possible for WKOV-FM to provide FCC F(50,50) 70 dBu coverage to 50% or greater of any Urbanized Area while licensed to Oak Hill, OH. Therefore it is believed that WKOV-FM is entitled to Priority 3 credit under Section 307(b) by providing a first local service to the 1,551 residents of Oak Hill, OH.

The proposed use of Channel 244B1 at Oak Hill, OH is mutually exclusive with the current use of Channel 244B1 at Wellston and the Channel 244B1 construction permit at Fazeysburg, OH. Fazeysburg will not be deprived of its only local service because WKOV-FM has not commenced operations at Fazeysburg. The provision of a first local service at Oak Hill (2010 U.S. Census population 1,551) under Priority 3 will result in a preferential arrangement of allotments over the retention of a first local service at Fazeysburg (2010 U. S. Census population 1,326). *See Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1982).

Oak Hill is a village in Jackson County, Ohio. Oak Hill is located 17 kilometers south of Jackson, OH, 55 kilometers north of Huntington, WV and 125 kilometers southeast of Columbus, OH. According to the 2010 US Census, Oak Hill had a population of 1,551 persons. The village has a total area of 3.0 sq. km, all land. Oak Hill is a peaceful community with a low-crime rate, an excellent schools system, strong fire department, an array of churches and recreational opportunities, and many available manufacturing jobs nearby. Oak Hill was incorporated on March 12, 1873.

The first white man who settled in the Oak Hill area was Peter Seel who came in 1814 and settled near Bethel Church. It is recorded that Mr. Seel paid the first tax in Jefferson Township, the sum of 75 cents.

Jackson County came into existence in 1816. The early settlers, mostly farmers, came to the Oak Hill area in 1817. Oak Hill was settled by Welsh immigrants that were stranded on the Ohio River in Gallipolis, Ohio. Julius A. Bingham, a New Yorker, established Oak Hill to compete with the county seat of Jackson. Mr. Bingham bought 80 acres of land in 1832 and started a small country store near the crossroads of a township road to Gallipolis and a traveled Indian trail called Guyan Trace. To attract population and increase his trade, Mr. Bingham laid out a village site on the hill surrounding his store and organized a Sunday school that was held in summer under Oak trees east of the village.

The Post Office was established on March 11, 1837 and Levi Massie was the first Postmaster. Oak Hill was the second post office in the county, the first being at Salt Lick near Jackson. The location of the first post office was across the street from the hotel on a lot now occupied by the Madison-Jefferson Fire Department Bingo Hall (formerly Jones- Morgan Hardware). Oak Hill was also a stop on Morgan's Raid, led by Confederate Brigadier General John Hunt Morgan during the American Civil War.

Even though 190 years have gone past since the "1818 Welsh" settled in southeast Ohio, the links between the Welsh and this part of the state continue to flourish and an effort is continually made to promote and keep the Welsh culture alive and to ensure that the history of the Welsh emigration is kept on record. Oak Hill plays host to the nation's only museum of Welsh history. Maintained by local historian Mildred Bangert, the Welsh-American Heritage Museum is located in the old Welsh Congregational Church in Oak Hill.

The United States Postal Service associates Zip Code 45656 with Oak Hill. The US Post Office is located at 109 Railroad St. in Oak Hill. The Village of Oak Hill offices are located at 415 N. Front Street at the Imogene Brunton Davis Memorial Building. The Village of Oak Hill receives their drinking water from the Jackson County Water Company. The Village of Oak Hill provides wastewater service, garbage collection service, and police protection to village residents. The Oak Hill village government includes a mayor and a five member village council. The Madison-Jefferson Fire Department serves the Village of Oak Hill,

Jefferson Township, and Madison Township (a total of 78 square miles and more than 5,700 residents). The fire department has 34 volunteer firemen. The Oak Hill Public Library, located at 226 South Front Street, was constructed in 2004. The 9,890 square foot facility offers books, newspapers, periodicals, books on tape, videos, computer access, and copying, fax, and laminating services. Oak Hill Union Local School District serves approximately 1,350 elementary, middle and high school students. The Oak Hill Senior Citizens Center provides senior services to seniors of the Oak Hill area. The Davis Home for the Aged, constructed in 1959 by the Davis Foundation, is a 32-room facility.

According to Manta there are 394 different businesses located in Oak Hill. A business listing for Oak Hill is included in the Section 307(b) showing. Oak Hill has a surprisingly large business community for a village of its size. Restaurants in Oak Hill include McDonalds, Subway, Kentucky Fried Chicken, Giovanni's Pizza, Kali's Pizza and T & J Dairy Barn. Twelve different churches are located in Oak Hill. Civic organizations include the Cardigan Welch Club, Oak Hill Festival of Flags Organization, Friends of Lake Jackson and the Portland Masonic Lodge of Oak Hill. Financial institutions located in Oak Hill include Milton Bank, Wes Banco Bank, and Oak Hill Banks. Supermarkets include Lakeview Grocery, Main Express 3 and Ohio Valley Supermarkets. Oak Hill is home to the 2009 Division 4 State Champion Boys Basketball Team and the 2009 Division 3 State Runner-up Girls Basketball Team.

## SAFE Reading Road Trip

These students have reached the first and second mile marker in the Reading Road Trip Incentive Program. The incentive for the first mile marker was a treat bag and students reaching the second mile marker attended a pizza party. After reading 50 books and reaching their third mile marker, students will be invited on a road trip to a local area of interest! Thank you to Carolyn Haines and Julie Haines and ZUMBA for the donation of pizza for the pizza party!

## LOCAL ATTRACTIONS

### Aetna Park

Aetna Park was created in \_\_\_\_ and is located in the center of town next to the village municipal building. The Oak Hill Village Council held a contest to find a name for the park during its development. There were many entries but the majority thought Aetna was the most appropriate since the Aetna Fire Brick & Coal Company operated there until 1963.

### B&B Railroad Caboose

The B&O Railroad Caboose was donated to the Oak Hill Area Chamber of Commerce in \_\_\_\_ by \_\_\_\_\_. The caboose was relocated to Aetna Park in \_\_\_\_ and is open during the Oak Hill Festival of Flags for tours.

### Jackson County Bicentennial Bell

The Jackson County Bicentennial Barn is a mile and a half south of the Village of Oak Hill on State Route 93, on the property of Paul and Mamie Lloyd.

### Welsh Heritage American Museum

The Welsh American Heritage Museum (former Welsh Congressional Church), located on East Main Street in Oak Hill, is the center of Welsh programs and activities in southeastern Ohio. The museum is the only one of its kind in the United States and houses Welsh books, bibles, documents, pictures, and a fine collection of other Welsh items.

The objectives of the museum are to foster Welsh family ties throughout the world, to collect and preserve records, artifacts, books, photographs, etc. of Welsh families in a museum setting, to keep the Welsh culture and traditions alive in the area, and to preserve for all time the old Welsh Congregational Church building.

The Welsh-American Heritage Museum not only strives to keep Welsh traditions alive, it also continues to be a link with the land of the Red Dragon with visits and programs between people here and people in Wales. News of the happenings at the museum are printed in the Welsh Newsletter, Ninnau, which is read in both Wales and the United States.

"The museum is a living museum, a place where people can come and feel the very essence of our heritage: a heritage that links us with the land of Wales with every Welsh hymn we sing and every Welsh-oriented event we attend," says Mildred Bangert. It is open by appointment by calling **Mildred Bangert at 740-682-7057**.

The Chamber of Commerce led the fund drive to construct the memorial gazebo, relocate and rebuild the Comer Schoolhouse, relocate and refurbish the caboose, and construct the park's fountain. Aetna Park is a wonderful educational resource for residents of the Oak Hill area. The caboose at the park reminds visitors of the importance that railroads played in the creation of the Oak Hill community. The one-room Comer schoolhouse (dating back to 1850) provides a glimpse of history to visitors and presents an example of the type of school that once educated students of the Oak Hill area. And finally, the memorial gazebo houses the Bi-centennial Bell presented to Jackson County. The gazebo's surrounding walk consists of many bricks memorializing past residents of the Oak Hill area.

The Jackson County Bicentennial Bell was made in the village and is now housed in the memorial gazebo in Aetna Park

### Welsh Scenic Byway

The Welsh Scenic Byway stretches through Gallia and Jackson counties and connects to the Ohio River Scenic Byway. Visitors can tour the countryside and see 1818 Welsh settlements, farms, churches, and cemeteries.

### Jackson County Bicentennial Barn

The Jackson County Bicentennial Barn is a mile and a half south of the Village of Oak Hill on State Route 93 on the property of Paul and Mamie Lloyd.

### **Central Memorial Park**

The Oak Hill Area Chamber of Commerce purchased the former Central School property from the Oak Hill Union Local Board of Education in 2005. The Central School property is a significant historical site since it was the site of the Central Elementary School until the late 1990's.

The goal for Central Memorial Park is to create a relaxing, safe, central recreational area for residents of the Oak Hill area. The theme of Central Memorial Park will be to memorialize the former Central School where many Oak Hill area residents spent their early years.

Phase I of the Central Memorial Park Project involves the development of the existing site to support the construction of a 1/6-mile concrete walking path, basketball court, shelter house and parking area. Parimeter security fencing, playground equipment, park benches, trash receptacles, a bike rack and landscaping of the entire park will complete the initial phase.

Following the completion of Phase I of the Central Memorial Park Project residents will have a single, safe, central location where they can picnic, take children of all ages to play, and have a walking path for adults to exercise while their children have fun. As mentioned before, a major goal is to provide a safe walking area for the Oak Hill senior citizens. Following the completion of Phase II of the project, which will involve the addition of a pavilion, restroom facilities and a second shelter house, residents of the Oak Hill area will have access to a park where they can host outdoor parties and family reunions.

## Welcome to the Oak Hill Area Online! Sponsored by the Oak Hill Area Chamber of Commerce

Oak Hill is located in southeastern Ohio. The Oak Hill Area consists of 10,686 residents surrounding the Village of Oak Hill (population 1,685). The Oak Hill area is a pleasant community and "a great place to live" whether you are thinking of relocating your family, starting a business, or just wanting to retire.

Oak Hill is a peaceful community with a low-crime rate, an excellent schools system, strong fire department, an array of churches and recreational opportunities, and many available manufacturing jobs nearby.

This website is sponsored by the Oak Hill Area Chamber of Commerce. The Oak Hill Area Chamber of Commerce is a volunteer, non-profit 501 (c)(6) organization. The Chamber's mission is to support economic and community development through the united efforts of business and local citizens pursuing a common goal to promote the Oak Hill area as a great place to live.

The Oak Hill Chamber of Commerce works in collaboration with many other organizations and local government to promote our community as a great place to live. The Oak Hill Area Chamber of Commerce is funded by over 60 members and driven by effective leadership. Our organization offers programs and services that support our members, and in turn, support the community.
