

ENGINEERING STATEMENT

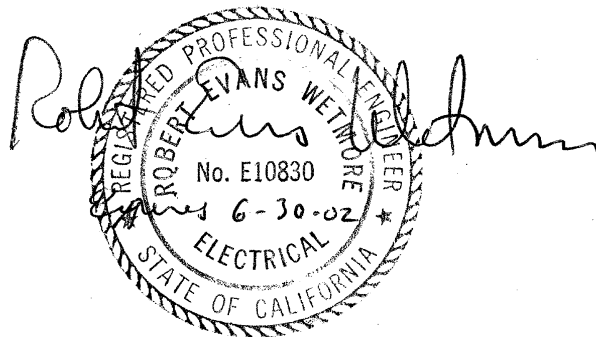

The attached station contour showing has been prepared on behalf of Fox Television Stations, Inc., licensee of WRBW(TV), Orlando, Florida, in support of its duopoly showing for WRBW(TV) and WOFL(TV) in the Orlando-Daytona Beach-Melbourne, Florida Designated Market Area (DMA).

The attached figure shows the Grade B service contours of television stations licensed to communities within the Orlando DMA. As indicated, the contour of each of these stations overlaps either the WRBW or WOFL contour.

I declare under penalty of perjury that the foregoing statement and attached figure are true and correct to the best of my knowledge and belief.
