RE: Trinity Construction Permit, [W60DC], [Glasgow, KY], [BNPTT-20000830ATX]

Dear Mr. Harvey Budd:

This is to confirm that you will be purchasing the referenced translator/low power television construction permits from the Trinity Christian Center of Santa Ana, Inc. The cost per construction permit will be the total of Trinity's provable expenses in preparing and filing, not to exceed \$6,000 per construction permit.

All purchases and assignments of these construction permits are subject to prior approval by the Federal Communications Commission. You and Trinity agree to work together in good faith in preparing, filing and prosecuting the necessary FCC application (FCC Form 345), and you and Trinity will split, 50/50, the required FCC filing fee for each assignment application.

If this letter of intent meets with your understanding, please sign and date in the space provided below, and return the original to me.

Sincerely,

Danny Kawakami  
LPTV Supervisor

Thayer Diab  
Low Power TV Engineering Coordinator

READ AND AGREED to this 29 day of JUNE, 2004.
