RE: Request to Accept Interference

Dear Bob,

WYFF agrees to accept the interference proposed in the document you sent dated August 17, 2011 to WYFF translators W09AS, W10AL, and W11AU. This acceptance is based on WSPA's agreement to accept interference from W11AU-D in the event WYFF increases power of that translator.

Sincerely,

Douglas Durkee  
WYFF4  
Director of Broadcast Operations
