Dear Applicant:

This letter concerns the above-referenced application for a new low power television facility filed in the limited auction filing window that closed August 31, 2000. You recently submitted an engineering amendment to that application. Upon review of your amendment, we have determined that your application is no longer mutually exclusive.

Within 30 days of the date of this letter, you must submit a complete FCC Form 346 (June 2000 version), pursuant to the procedures set forth in the Commission's rules.<sup>1</sup> Along with an FCC Form 346, you must also submit the required application filing fee of \$570.00 for an FCC Form 346 and an FCC Form 159, Remittance Advice.<sup>2</sup>

If you choose to file your FCC Form 346 in paper form, you should check the appropriate response to Question 5 of Section I (either "new station," "major modification of construction permit" or "major change in licensed facility") and include your previously-assigned file number in the space provided in Question 5(a) of Section I of the Form. To send by mail, send an original and two copies of the FCC Form 346 application and an original FCC Form 159 to: Federal Communications Commission, Mass Media Services, P.O. Box 358185, Pittsburgh, Pennsylvania 15251-5190.<sup>3</sup> To hand carry, in person or by courier, deliver an original and two copies of the FCC Form 346 application to: Mellon Bank, Three Mellon Bank Center, 525 William Penn Way, 27th Floor, Room 153-2713, Pittsburgh, Pennsylvania 15259-0001 (Attention: Wholesale Lockbox Shift Supervisor).

You may also file your FCC Form 346 application electronically. For electronic application filers, an FCC Form 159 in payor form should also be sent to the Federal Communications Commission in the manner set forth above. Instructions
