Subject: STA chaos

Mohammad - Let me apologize in advance for what I am about to ask you to do. I must ask you to DISMISS the three STA requests that are currently pending for Una Vez Mas. There was a mix-up between the client and its engineering staff and the STAs were submitted in error. Therefore, on behalf of the respective licensees, I hereby request DISMISSAL of the following:

KDFL-LP, Lubbock, TX (Fac. ID 130564) - BSTA-20131210CFS
KAXW-LP, Mullin, TX (Fac. ID 52928) - BSTA-20131210CFR
KNWS-LP, Brownsville, TX (Fac. ID 3265) - BSTA-20131211AII

In place of the previous requests for Brownsville and Lubbock, I have today filed TWO NEW REQUESTS. These requests are identical to ones the licensees submitted a year ago which were GRANTED (see Exhibit 22 in each application). So you shouldn't have to do much work on them; they've already been reviewed and approved. The new requests are as follows:

KDFL-LP, Lubbock - BSTA-20131212BBZ
KNWS-LP, Brownsville - BSTA-20131212BBP

As for KAXW in Mullin, it turns out the equipment will be delivered in time to complete the CP construction. So we do not need an STA there after all.

I sincerely apologize for the confusion and any extra work this causes you. I hope you enjoyed your time off. Call me if you have any questions.

Marnie
